Viksit Gujarat - Shaping Global Future | 11th Global Summit

VIBRANT GUJARAT

TRANSFORMING GUJARAT INTO A GLOBALLY COMPETITIVE, DIVERSIFIED AND FUTURE-READY ECONOMIC POWERHOUSE

In 2003, Vibrant Gujarat began as an Investor Summit with a vision to showcase Gujarat's potential to the world. Over the years, it has evolved into one of the globally acclaimed platforms that brings together governments, businesses, innovators, investors and thought leaders to shape the future of growth.

Today, Gujarat stands at the forefront of India's economic transformation driving manufacturing, innovation, sustainability, global trade and digital excellence. The Summit's impact extends beyond economic growth, contributing to infrastructure development, entrepreneurship, technological advancement, skill development, and inclusive socio-economic progress across the State.

As India advances towards the vision of Viksit Bharat @ 2047, Gujarat is poised to lead the journey through world-class infrastructure, new age industries like Semiconductors, AI, Data Centers, Aerospace & Defence, a skilled workforce and a commitment to sustainable development.

The Vibrant Gujarat Global Summit 2027 invites the world to participate in the next chapter of growth, innovation and opportunity.

"Whenever the stage of the Vibrant Gujarat Summit is set, I do not see it merely as a summit. I see the journey of modern India in the 21st century - a journey that began with a dream and has now reached an unshakable trust. In two decades, this journey of Vibrant Gujarat has become a global benchmark. Ten editions have already been held, and with each edition, the identity and role of this summit have grown stronger.

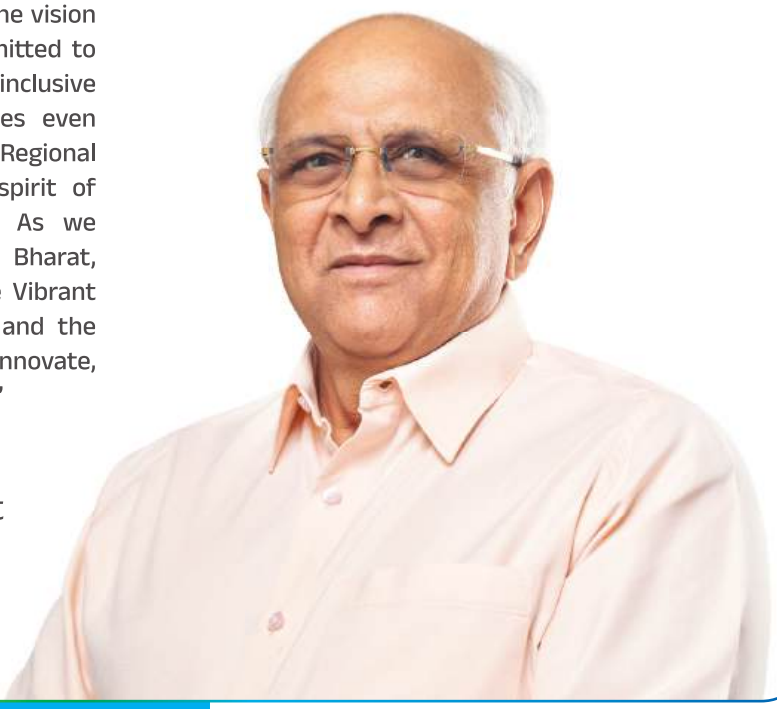

I have been associated with the vision of the Vibrant Gujarat Summit since its very inception. In the early days, our aim was to make the world aware of Gujarat's potential, to invite people here, to encourage investment - so that India would benefit, and global investors too would benefit. But today, this summit has gone beyond investment; it has become a strong platform for global growth, international cooperation, and partnerships. Over the years, the number of global partners has steadily increased, and with time, this summit has also become a great example of inclusion. Here, corporate groups, cooperatives, MSMEs, start-ups, multilateral and bilateral organisations, international financial institutions - all come together, engage in dialogue, deliberate, and walk shoulder to shoulder with Gujarat's development. Over the past two decades, the Vibrant Gujarat Summit has consistently introduced something new, something special."

Shri Narendra Modi
Hon'ble Prime Minister

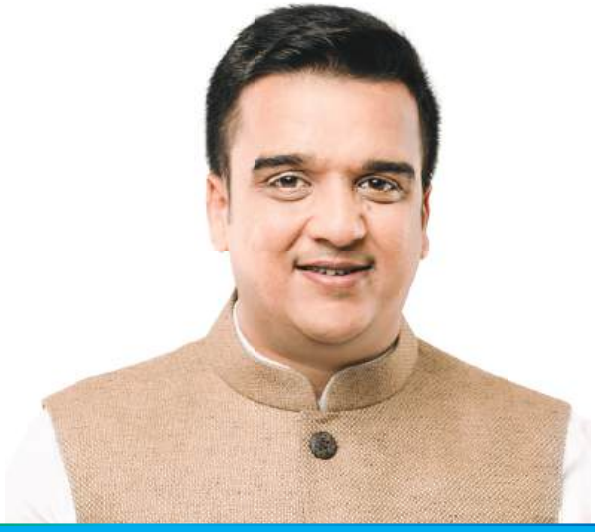

"For over two decades, Gujarat has demonstrated that visionary leadership, policy continuity and responsive governance can transform aspirations into achievements. Conceived under the visionary leadership of Hon'ble Prime Minister Shri Narendra Modi, the Vibrant Gujarat Global Summit has evolved into a defining platform for global investment, innovation and collaboration, shaping Gujarat into a preferred global investment destination. As India advances towards the vision of Viksit Bharat @2047, Gujarat is committed to driving innovation, enterprise and inclusive economic growth, creating opportunities even zat regional level. Vibrant Gujarat Regional Conferences have taken forward the spirit of regional aspirations, global ambitions. As we aspire towards Viksit Gujarat se Viksit Bharat, I invite you all to the 11th edition of the Vibrant Gujarat Global Summit, where Gujarat and the world will come together to ideate, innovate, collaborate and create shared prosperity."

Shri Bhupendrabhai Patel
Hon'ble Chief Minister, Gujarat

"True progress is achieved when visionary governance aligns with boundless entrepreneurial energy. In Gujarat, we are not merely facilitating investments; we are cultivating a future-ready ecosystem. Every global partnership forged here empowers our youth, accelerates innovation, and serves as a powerful engine for India's historic leap towards Viksit Bharat @2047."

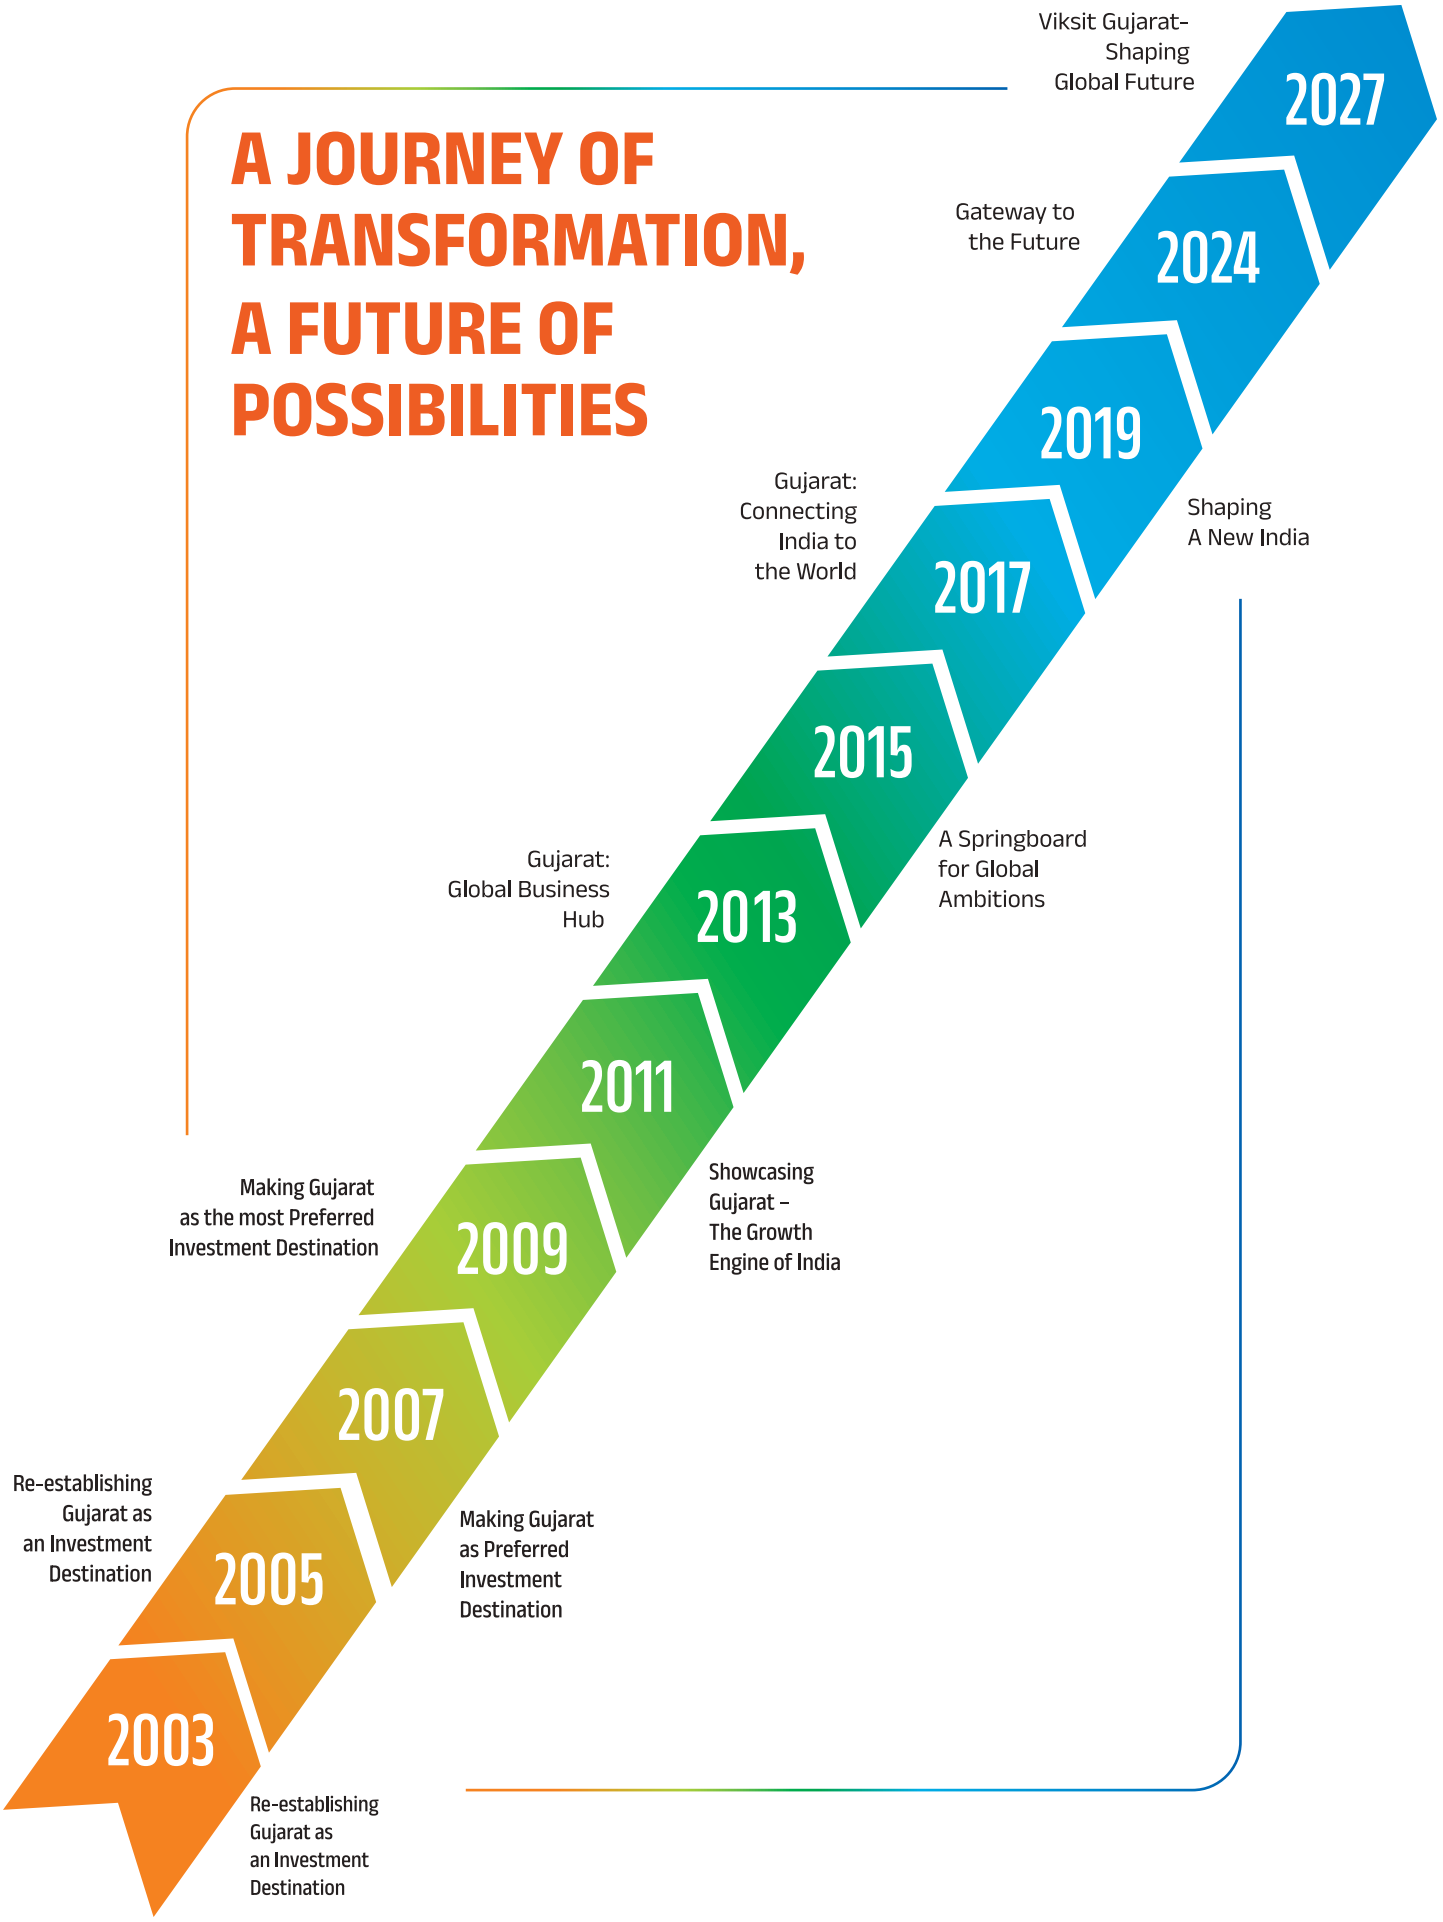

Shri Harsh Sanghavi
Hon'ble Deputy Chief Minister, Gujarat

Dr. Jayrambhai Gamit
Hon'ble Minister of State,
Industries
